Any Party which, notwithstanding a Default by the other Party, continues to participate in the Agreement, shall not be deemed to have waived its right of immediate withdrawal under this Article, unless and until the Defaulting Party shall have cured any default in accordance with those Articles.

ARTICLE 10 - Arbitration and Governing Law

10.a. Applicable Law.

PUERTO RICAN CROSS SPACE CHARTER AND SAILING AGREEMENT

FMC AGREEMENT NO. 011795-004 (2nd Edition)

The interpretation, construction and enforcement of this Agreement, and all rights and obligations between the Parties under this Agreement, shall be governed by the general maritime law of the United States and to the extent not inconsistent therewith, the law of the State of New York, provided, however, that nothing herein shall relieve the Parties of obligations to comply with the Shipping Act of 1984, as amended.

10.b. Arbitration.

Except as otherwise provided herein, any dispute or claim arising hereunder which is not amicably settled by the Parties shall be settled by arbitration. Arbitration shall be held in New York, New York, by a panel of three arbitrators familiar with ocean container shipping, unless the Parties can agree on a single arbitrator, none of which shall have any interest in or with any Party. Upon agreement of the Parties, arbitration may be held in any other place. Arbitration shall be conducted in accordance with the arbitration rules of the New York Society of Maritime Arbitrators, Inc. (the "SMA").

10.b.(i) Any Party may call for such arbitration by service upon the Party with whom it has the dispute of a notice specifying the name and address of the arbitrator chosen by the first moving Party and a brief description of the disputes or differences which such Party desires to put to arbitration. If the other Party shall not, by notice to first moving Party within thirty days of the service of such first notice, appoint its arbitrator to arbitrate the dispute or differences specified, the arbitrator appointed by the first moving Party shall act as the sole arbitrator, with full power to act hereunder. In the event that the two arbitrators fail to appoint a third arbitrator within twenty days of the appointment of the second arbitrator, either Party may petition the President of the SMA for the appointment of the third arbitrator, whereupon the third arbitrator shall be appointed by such President. In the event that the President of the SMA fails to appoint the third arbitrator within twenty days of the date on which such President receives the petition, either party may apply to a Judge of any court of competent jurisdiction in New York, New York (or, the alternate location for the arbitration agreed to by the Parties) for the appointment of a third arbitrator, and the appointment of such arbitrator by such President or Judge on such application shall have precisely the same force and effect as if such arbitrator had been appointed by the two arbitrators. Until such time as the arbitrators finally close the hearings, either Party shall have the right by written notice served on the arbitrators and on the other Party to specify further disputes or differences under this Space Charter Agreement for hearing and determination.

10.b.(ii) If there are more than two parties to the arbitration, the complaining party or parties shall submit a written request, in which the party or parties complained against shall be given the opportunity to join, to the President of SMA for a list of arbitrators, the number of which shall be three times the number of parties to the arbitration plus an additional three, and all of which shall be former or current officers or directors of SMA. Upon receipt of

such list, the parties to the arbitration shall confer and, acting, in alphabetical order, shall seriatim strike one arbitrator from the list until there remain only three arbitrators, who shall arbitrate the dispute. Until such time as the arbitrators finally close the hearings, either Party shall have the right by written notice served on the arbitrators and on the other Party to specify further disputes or differences under this Space Charter Agreement for hearing and determination.

10.b.(iii) The arbitrators, by majority vote in writing, may award damages and expenses which they deem proper. In addition, the arbitrators shall assess the costs of the arbitration including interest, pre-judgment interest, their fees and reasonable attorney's fees against either Party, or both, in such manner as they shall set forth in their written findings of facts and conclusions. Such decision shall be final and conclusive, shall be rendered within 90 days of the final submissions of the Parties, including briefs, and may be enforced in a court of competent jurisdiction. The arbitrators may not award exemplary or punitive damages, however, they may order specific performance. A copy of such decision shall be served by the arbitrators on the Parties.

10.c. Notwithstanding anything to the contrary in the Agreement or in law, any Party shall have the right to apply to any Court of competent jurisdiction to obtain any pre-judgment remedy to which it may be entitled against another.
